

Rolf Kailuweit wrote a Ph.D. thesis in 1996 on Diglossic Attitudes in Catalonia (1759-1859) and a postdoctoral qualification for professorship (Habilitation) on the Syntax and Semantics of French and Italian Verbs of Emotion in 2003. Since 2004 he has been tenured Professor for Romance Language and Media Studies in the Department of Romance Languages at the Universität Freiburg im Breisgau (Germany). From April 2008 to March 2009 he is internal fellow at the Freiburg Institute for Advanced Studies (FRIAS) with a project concerning River Plate Spanish: the Creation of a Linguistic and Cultural Space.
